

Constitution

1. The name of the Club is Isca Angling Club.
2. The object of the Club is to promote and provide fishing facilities for its members.
3. The officers of the Club shall be elected at the Annual General Meeting which shall take place in the close season. All members must be notified by post or email 4 weeks in advance of the AGM.
4. The Officers of the Club will be Chairman, Hon. Secretary, Treasurer, River Keeper and up to 6 other Committee members. All must be club members.
5. The Committee will meet at such times as are directed by the Chairman and all Committee members must be notified.
6. An Auditor shall be elected annually who must be an ordinary member and the books of the Club must be submitted for audit.
7. All monies collected for the Club must be banked in the name of the Club forthwith.
8. All expenditure on behalf of the Club must be authorised by the Committee and all cheques must be signed by 2 of 3 designated signatories.
9. Minutes shall be kept by the Hon. Secretary recording the business transacted at each Committee meeting and A.G.M. The financial position of the Club shall be reported and recorded in the format of a balance sheet at the A.G.M.
10. Membership applications must be in writing to the Hon. Secretary. If there are no vacancies, names will be placed on a waiting list and membership offered in sequence of receipt of applications as vacancies occur. Membership cards are not transferable.
11. The committee has the power to terminate membership as a result of:
 - a) infringement of club rules
 - b) Unsportsmanlike behaviour including but not limited to members conducting themselves in a manner that causes offence to or the disturbance to fellow members. Such offence can be through action, verbal interaction or written communication, including social media.
 - c) Any action which is likely to bring the club (Isca) into disrepute or is in any manner contrary to the best interests of the club or its membership.
The club committee has the power to terminate membership by a two thirds majority. Only if the committee considers it necessary then the member(s) will be requested to attend before the committee on a date decided by the committee to challenge the basis for the termination of membership.
12. The Committee has the power to decline to accept an application for club membership.
13. The Committee has the power to make rules and regulations as they deem to be in the interests of the Club. A quorum of 6 members shall be sufficient to transact business.
14. The club is limited to 100 adult members but subject to change at the discretion of the committee.
15. Membership fees, set by the Committee, are due by in December for the season ahead with a reward scheme for payment before the 31st. Delayed payment may result in loss of membership.

Rules and Constitution

2023

Rules

1. Members must hold and carry the appropriate Natural Resources Wales (NRW)/ Environment Agency (EA) rod licence.

2. Fishing methods and seasons:

Salmon: 3rd March – 15th June: Fly only

16th June – 17th Oct: Fly and spinning only.

Sea trout: as for salmon but from 20th March.

Brown trout: 3rd March – 30th September: Fly only

Ken's Pool and Gravel Run are fly only on both banks. Downstream of Plas Llecha on the tidal beat, trout fishing is only allowed after 1 May.

Coarse fishing is only permitted from 18th October to 2nd March on the Newbridge Beat.

3. **Catch & release** is mandated in order to preserve future stocks. By law, gaffs and tailers are banned.

Salmon: Use barbless hooks. All salmon must be released with minimum injury.

Sea trout or brown trout under 28cm/11" or over 60cm/24" must be released with minimum injury. Only fish caught by the angler may be kept. The combined bag limit is 2 per day and 12 per season. Use barbless hooks for sea trout.

4. **Catch limits** may not be transferred between members or between members and guests

5. **Catch & release best practice.** Use a suitable net. Nets must be knotless, by law, and ideally pan-shaped and made of a small soft mesh and/or rubberized material. Keep the fish in the water whilst being unhooked, measured and photographed. Never lift it out by its tail or gill-cover. With the fish pointing upstream, support it under the belly until it recovers prior to release. If a fish is deep-hooked, particularly in the gills, just snip the line as close to the hook as is possible and release. Assess weight by length.

6. Hooks:

Salmon & sea trout:

Any **spinner or spoon** must be fitted with a single hook, not a double or treble. A **plug** may be fitted with up to 3 single hooks but not a double or treble.

The gape, measured from the point to the shank, of any hook on a spinner, spoon or plug may be no greater than 13mm.

Flies: The maximum permitted gape on any treble hook is 7mm and 10mm for a single or double hook. No fly may carry more than four hook points.

7. If a salmon dies after capture the fish should be left in the river and the angler should phone NRW (0300 0653000) and notify the River Keeper as soon as possible on the day of capture (use the phone number overleaf).

8. **Day tickets**, for one calendar day, will be available to a member's guest at the discretion of the Secretary at a cost determined annually by the Committee. Guests must be accompanied by a member at all times and must fish with barbless hooks and return all salmon.

11. **Members must carry their club membership paper and NRW/EA rod licence** when fishing. These must be produced if asked for by another member or authorised person. This helps protect the club's fishing rights.

12. No angler must have more than one rod in use at a time.

13. Members must respect property, crops, hedges, fences and pay particular attention to the opening and closing of gates. Please go directly to the river. Do not wander over land. Do not leave litter including fishing line. Lighting fires is not permitted.

14. No angler shall fish a pool or run which is being fished by another (either in front or behind) unless he has received permission to do so. No angler shall occupy a pool or run for more than 30 minutes after another angler has given notice that he is waiting to fish there. Anglers are expected to act in a sportsman-like manner so as to avoid over-crowding of pools and runs by moving **a minimum of one step per cast**.

15. Access and parking must be as shown on the maps provided and nowhere else.

16. Member may not bring dogs on to club waters.

17. Anglers under 18 may fish free of charge provided they are accompanied at all times by a member, sharing the member's rod and catch limit, and have a relevant NRW/EA rod licence.

18. The Committee accepts no liability for any damage or loss of equipment or personal injury to anglers using club waters.

19. Members must submit a catch return to the Secretary by 31 October.

20. **Compliance with fisheries laws, byelaws and these rules is a condition of membership and permission to fish the Club's waters. Anglers disregarding them may, at the discretion of the Committee have their tickets cancelled, be restrained from further fishing without redress for any payment made, and if appropriate be subject to legal action.**
